These changes would allow €21.1 billion in unused commitment appropriations to be carried over from 2014 to 2015-17.  <a href="http://www.europarl.europa.eu/news/en/news-room/content/20150413IPR41699/html/EP-backs-carry-over-of-EU-funding-for-late-starter-national-programmes">http://www.europarl.europa.eu/news/en/news-room/content/20150413IPR41699/html/EP-backs-carry-over-of-EU-funding-for-late-starter-national-programmes</a></p> <p><b>Milk and fruit in schools: agriculture MEPs promote healthy eating</b>  The EU and its member states must invest more effort and money in promoting healthy eating and the consumption of local foodstuffs amongst children, said the agriculture committee said on Tuesday when it amended draft rules on schemes to provide fruit, vegetables and milk in schools.  <a href="http://www.europarl.europa.eu/news/en/news-room/content/20150414IPR41819/html/Milk-and-fruit-in-schools-agriculture-MEPs-promote-healthy-eating">http://www.europarl.europa.eu/news/en/news-room/content/20150414IPR41819/html/Milk-and-fruit-in-schools-agriculture-MEPs-promote-healthy-eating</a></p> <p><b>Trade MEPs beef up rules to stem flow of conflict mineral money to armed groups</b>  EU smelters and refiners importing „conflict“ minerals and metals would have to be certified by the EU in order to help stem the flow of revenue to armed groups, under a draft law as amended by the International Trade Committee on Tuesday. Other amendments lay down conditions for EU recognition of industry self-certification schemes, and labelling requirements. All these amendments still need to be approved by Parliament as a whole.  <a href="http://www.europarl.europa.eu/news/en/news-room/content/20150413IPR41655/html/Trade-MEPs-beef-up-rules-to-stem-flow-of-conflict-mineral-money-to-armed-groups">http://www.europarl.europa.eu/news/en/news-room/content/20150413IPR41655/html/Trade-MEPs-beef-up-rules-to-stem-flow-of-conflict-mineral-money-to-armed-groups</a></p> <p><b>Health MEPs propose blueprint for safer healthcare</b>  Suggested measures to improve patient safety, inter alia by tackling growing resistance to human and veterinary antibiotics by using existing treatments more responsibly and promoting innovation, are set out in a Health Committee resolution voted on Tuesday. MEPs note that between 8 and 12% of patients admitted to hospitals in the EU suffer adverse events such as healthcare-related infections, which place a heavy burden on limited health service budgets.  <a href="http://www.europarl.europa.eu/news/en/news-room/content/20150414IPR41844/html/Health-MEPs-propose-blueprint-for-safer-healthcare">http://www.europarl.europa.eu/news/en/news-room/content/20150414IPR41844/html/Health-MEPs-propose-blueprint-for-safer-healthcare</a></p> <p><b>Five a day: how the EU will help children to learn about healthy eating</b>  Children are eating fewer and fewer fruit, vegetables and dairy products in Europe, but a new proposal could help them to adopt a healthier diet. Under the plan two existing EU schemes for handing out fresh milk, fruit and vegetables to pupils would be combined, reducing the administrative burden and creating more opportunities for teaching children about balanced diets.  <a href="http://www.europarl.europa.eu/news/en/news-">http://www.europarl.europa.eu/news/en/news-</a></p>

They will be joined by representatives from NGOs and international organisations.  <a href="http://www.europarl.europa.eu/news/en/news-room/content/20150414STO41830/html/Live-MEPs-debate-how-to-fight-human-trafficking">http://www.europarl.europa.eu/news/en/news-room/content/20150414STO41830/html/Live-MEPs-debate-how-to-fight-human-trafficking</a></p> <p><b>MEPs urge end to Roma discrimination and recognition of Roma Genocide Day</b>  Parliament called for more efforts to end discrimination, hate crime and hate speech against Roma people and for 2 August to be recognised as Roma Holocaust Memorial Day, to commemorate the Roma genocide in World War II, in a resolution passed on Wednesday.  <a href="http://www.europarl.europa.eu/news/en/news-room/content/20150414IPR41851/html/MEPs-urge-end-to-Roma-discrimination-and-recognition-of-Roma-Genocide-Day">http://www.europarl.europa.eu/news/en/news-room/content/20150414IPR41851/html/MEPs-urge-end-to-Roma-discrimination-and-recognition-of-Roma-Genocide-Day</a></p> <p><b>International Roma Day: celebrating Europe's largest ethnic minority</b>  International Roma Day is held every year on 8 April to celebrate Romani culture and raise awareness of the issues facing Roma people. Europe's largest ethnic minority - an estimated 10 million Roma live in Europe and six million within the EU - is often subject to discrimination and social exclusion. On 25 March MEPs debated current Roma discrimination and EU recognition of the Roma genocide in WWII.  <a href="http://www.europarl.europa.eu/news/en/news-room/content/20150324STO37305/html/International-Roma-Day-celebrating-Europe's-largest-ethnic-minority">http://www.europarl.europa.eu/news/en/news-room/content/20150324STO37305/html/International-Roma-Day-celebrating-Europe's-largest-ethnic-minority</a></p> <p><b>World Health Day: "Basic healthcare services need to be accessible to all"</b>  World Health Day is marked every year on 7 April, the ideal opportunity to highlight what still needs to be improved. "Basic healthcare services need to be accessible to all, regardless of income," said UK S&amp;D member Linda McAvan, chair of the Parliament's development committee. Over the years the Parliament has tried to help strengthen healthcare systems in different parts of the world.  <a href="http://www.europarl.europa.eu/news/en/news-room/content/20150328STO39001/html/World-Health-Day-Basic-healthcare-services-need-to-be-accessible-to-all">http://www.europarl.europa.eu/news/en/news-room/content/20150328STO39001/html/World-Health-Day-Basic-healthcare-services-need-to-be-accessible-to-all</a></p>

#### **BIG BUSINESS USING TRADE GROUPS TO LOBBY AGAINST EU CLIMATE POLICY**

When we embarked on our research into how trade groups are lobbying on EU climate policy, we knew trade associations were likely to be influential. However, we were surprised at just how important they are to companies, and how ferociously opposed some have been to recent progressive European Union climate policies.

These EU policies include attempts to strengthen the EU Emissions Trading Scheme, and targets on energy efficiency and renewable power.

#### **EASTERN EUROPE IS BOOSTING MILITARY BUDGETS, BUT US IS STILL THE BIG SPENDER**

Russia and its Nato neighbours in the Baltic have agreed dramatic increases in their military budgets, in marked contrast to countries that are further west and away from potential conflict zones, according to a report published by a leading thinktank.
